

Expression of Interest Civil Works

Swala Oil and Gas Tanzania PLC plan to drill one exploration oil well in the Kilosa-Kilombero Block, onshore Tanzania in Q3 – Q4, 2016. Expressions of Interest are invited from suitably qualified civil contractors to provide the project with the following services:

- Repair and construct unsealed access road(s) including culvert bridges and fords;
- Construct 3 x temporary bridges capable of 200+ articulated truck and trailer loads with some GVM up to around 55 tonnes;
- Construct a drilling rig pad measuring 150m x 150m, cambered, compacted, securely fenced and gated. The pad will include a conventional drilling rig, containerized camp for 100+ personnel, chemical storage area and various lined ponds;
- Reconstruction of an airstrip (existing) including clearing, leveling, compacting and access road improvement.

The objective of this Expression of Interest is to shortlist firms capable of providing the services listed above.

Interested contractors should provide details of:

1. Capacity to complete the Works within the Time for Completion – i.e. August 2016;
2. Certificates of relevant insurance policies currently held by the contractor;
3. Previous experience working in Tanzania within the last three years;
4. Total monetary value of construction works performed for each of the last three years;
5. Experience in works of a similar nature and size for each of the last three years, and details of work under way or contractually committed; and clients who may be contacted for further information on those contracts;
6. Major items of construction equipment proposed to carry out the services described above.

Expressions of Interest, supported by the above details, will be accepted by email only at procurement@swala-energy.com under the subject title of EOI Civil Contractors and are required to be submitted prior February 19, 2016.
